

Acknowledgement:

Activities for the Meeting Point “Renewable Energy in China, incl. Hydrogen + Fuel Cell + Biomass” have been proceeding smoothly during SIF Nov. 4-9, 2004, making a good combination of the Ministries and local government, under the support and guidance of M.O.S.T. officers, industrialization department as well as High-Tech R&D Center who is an organizer of this exhibition event at SIF 2004.

We should hereby be expressing gratefulness to those taking active part in any of three topics of “International Exchange & Cooperative Forum”.

We should also hereby thank the followings for giving us great support, while we were in preparation for the Meeting Point at SIF 2004:

(No precedence as listed below)

Officer from the Science & Technology Commission of Shanghai Municipality

Secretary General of China Renewable Energy Association Li JunFeng

Academician of Theory Physics Research Institute of Science Academy of China He Zuo Xiu

The Head of department of Energy saving & Environment-Protection Department of Shanghai Economic Commission Chen Jin Hai

Prof. of Renewable energy legislation workshop of environment & resource commission of the people’s congress Wang Xi

Prof. of Solar Energy Research Institute of Physics Dept. of Shanghai JiaoTong University Cui Rong Qiang

SGL Technology GmbH Dr. Zhang Wei Bo

Member of a council of Int’l H2 association. Chairman of China H2 Association Mr. Mao Zong Qiang

**Expert of Energy Development Center of Energy Research Institute of
Development & Reform Commission of P.R.China** Ren Dong Ming

**Prof. of Solar Energy Research Institute of Physics Dept. of Shanghai
JiaoTong University** Xu Lin

**Ass. of G.Manager of Tian Wei Ying Li New Energy Co., Ltd. in BaoDing,
Heibei Province** Hu Hua

Senior Engineer of Electric Power Experiment Institute of East China Hu Li Ye

**Prof. of F/C Research Institute of Hua Zhong Science & Technology
University** Li Jian

**Vice Prof. of Machinery & Vehicle Engineering Institute of Science &
Engineering University of Beijing** Sun Li Qing

Hydrogen Dept. of Linde GmbH Germany Dr. Jaco Reijerker

Singapore Gashub Power Pte. Ltd. Dr. Han Ming

MST Technology GmbH Germany Dr. Jurgen Franke

Choren Industries GmbH Germany Conrad Hai Li Bucheleres

Head of Dept. of Science & Education Dept. of the Ministry of Agriculture Yan Cheng

Post Dr. of Chemical College of Petroleum University Ji Xing

Prof. of Agriculture University of Inner Mongolia Liu Shu Min

**Prof. of Energy & Chemical Dept. of Science & Engineering University of
East China** Yan Yong Jie

Choren Industries GmbH Germany Conrad Hai Li Bucheleres

Fuel Cell and Hydrogen Network Nordrhein-Westfalen Dr. Frank Koch
