## 2 Fuel Cell Events for the Price of 1!

The Society of Manufacturing Engineers (SME) Manufacturing...Alternative Energy's Future  
and The Connecticut Clean Energy Fund (CCEF) Moving Fuel Cells into the Mainstream

Don't miss this opportunity to hear the latest manufacturing innovations and challenges from leading authorities in industry, research and education!

### Top 10 reasons to attend the Fuel Cell Summit...

#### 1) Attend 2 Fuel Cell Events for the Price of 1!

Connecticut Clean Energy Fund's  
*"Moving Fuel Cells Into the Mainstream"*  
Society of Manufacturing Engineer's  
*"Manufacturing Alternative Energy's Future"*

These two events bring together the largest assembly of fuel cell industry experts, players and participants in the East: A venue that fosters a meaningful exchange of solutions, contribution of new ideas and dialogue among participants.

#### 2) Information on the largest fuel cell order ever

#### 3) CEO's of major fuel cell companies face off on how break-throughs should happen.

#### 4) New Manufacturing Partnership Opportunities:

=> New Manufacturing Breakthrough Collaboration Projects on Hydrogen Storage Systems & Fuel Cell Components/Systems will be revealed by National Center for Manufacturing Sciences.

=> The unveiling of DOE's Manufacturing R&D Roadmap for Hydrogen Production, Storage & Fuel Cell Systems

#### 5) A High Value Working Reception!

=> Poster Session on Fuel Cell Innovations  
=> Cocktails with key industry players

#### 6) Networking Dinner Reception w/ Keynote Presentation

Hosted by Connecticut Power & Energy Society:  
*"Scenarios and Strategies: Hydrogen and Fuel Cell Commercialization to Meet the World's Energy Demand"*  
Arno A. Evers, Owner & Operator, Arno A. Evers FAIR-PR

#### 7) Tours, Tours, Tours

=> Mohegan Sun Fuel Cell Installations:  
Take a tour of the stationary fuel cell installation at the Mohegan Sun Casino & Resort. See this example of how fuel cells are making their way into the mainstream!  
=> Connecticut Global Fuel Cell Development Center:  
Visit one of the leading R&D fuel cell facilities in the world. To arrange a tour during your visit, please contact Tricia Bergman at (860) 486-8375

#### 8) Clean Energy States Alliance (CESA) Meeting

=> The Public Fuel Cell Alliance (PFCA) will hold a meeting of its working group in conjunction with the 2005 Connecticut Fuel Cell Summit. This meeting is open to all interested in learning about the multi-state activities of the PFCA.

#### 9) Have you ever wanted to take in the foliage in New England in the fall...there is no better time or location to take in the colors of the autumn season.

#### 10) The event is being held at a casino...need we say more!

SME & CCEF extend our sincere appreciation to our event sponsors and partners:

Gold Sponsors: UTC Power, Fuel Cell Energy, Robinson & Cole

Silver Sponsors: Proton Energy Systems, Updike Kelly & Spellacy, P.C., Shipman & Goodwin LLP, Connecticut Business Development Team.

Bronze Sponsor: Carmody & Torrance LLP

Endorsing Partners: National Center for Manufacturing Sciences (NCMS), National Renewable Energy Laboratory (NREL), American Society of Mechanical Engineers (ASME), Connecticut Power & Energy Society (CPES), Arno A. Evers Hydrogen + Fuel Cells FAIR-PR, Connecticut Center for Advanced Technology (CCAT), National Hydrogen Association (NHA), Connecticut Global Fuel Cell Center, Clean Energy States Alliance (CESA), Massachusetts Hydrogen Coalition, Fuel Cell Today, Fuel Cell 2000, US Fuel Cell Council, Ohio Fuel Cell Coalition, Connecticut Venture Group.
